

# Hangar Flyin'

September 2007

## **President's Message** **Charlotte Rhodes**

I have been preaching volunteerism and getting involved for well over a year now and never have I seen a better effort from our members than at this year's AirFest. This was the first time I was really able to sit down for awhile and watch versus doing. Despite the rain, members showed up and got involved, thank you all from the bottom of my heart, to me this is what it is all about. Our planned fundraisers for AirFest did not fare well due to the weather but on the whole it was still a success overall. We have some cases of suds to dispose of at a price and I will have that at breakfast for anyone interested. We signed up one new member in August, Kenny Smith. He rented the last t-hanger available for his Cherokee. David Stark has taken over the available spot in hanger 3 for his Waco (soon to be here). The annual business meeting will be held next month (details below) and we need to talk around to see if anyone is interested in holding the offices of President, Vice-President, Treasurer and two board positions. Nominations will be made at the annual meeting and

the election to fill those positions will be done at the November meeting. This is a great way to really get involved.

## **Rotan Young Eagles**

Scotty Daniels called and said their date was changed to October 20<sup>th</sup>. This actually works better for us because it allows our annual meeting to be held on the 2<sup>nd</sup> Saturday in October. For those who are interested in going to Rotan to fly the kids please call Mark Reed at 529-3539 or email him at [mreed@abileneaero.com](mailto:mreed@abileneaero.com). Fuel is free to those pilots who fly up for the kids.

## **Breakfast**

September breakfast will be held this Saturday the 8<sup>th</sup> starting at 9am. Set up will be Friday evening around 5:30. We will also need to take down the misting tent on Friday evening during set-up.

## **Annual Business Meeting**

This is official notification that we will have our annual meeting on Saturday October 13<sup>th</sup> starting at 10am. This time will allow for either breakfast or

lunch to be done for the members. The agenda for the meeting will be:

Hanger 3 building projects  
T-hanger recovering project  
Nominations for – President,  
Vice-President, Treasurer and  
two Board of Directors  
General Discussion
