ROTAN YOUNG EAGLES DAY PLANNED

Hi all, I talked with Scotty Daniels of Rotan today and have confirmed the Young Eagles there on **Saturday, October 14th**. They had their Rotan City Council meeting yesterday and are very excited for us to return and be a part of this event with them and pass on their thanks for us volunteering to fly their kids and young adults. He also said they put their order in for clear skies and calm winds.

FREE Fuel and food will be available for us so come and join us on another great Young Eagles event. They are expecting us to arrive around 7:30 am for the **FREE** breakfast. Pilot briefing will be at 0830 and we will fly Young Eagles from 0900 to 1200.

Thanks again for all your help on June 10th and Airfest 2006 Young Eagles and look forward to seeing you in Rotan. Please contact me as soon as possible so I can pass a head count of pilots and airplanes to him.

If interested, several of us will have empty seats and we can give you a ride there and back to Abilene. Also, we need to know in advance so those of us flying can expect you and plan accordingly.
